# DATA SHEET SC1 CLASSIC RANGE 30-101

Modular letterbox with base 300 mm, height 125 mm and 3 different depths 200/280/335 mm.
It has a letterbox opening - 230 x 20 mm - protected by a inward swinging door with spring return. Aluminium door equipped with security cylinder lock with two numbered keys, peephole and nameplate, interchangeable, made of plastic. In the boxes, the name plate is fitted with a numbered two-colour PVC plate suitable for pantograph incision of the name. The interchangeable door is available in silver as standard, or in a painted colour to be chosen from the RAL range.
