

## DATA SHEET SC6 CLASSIC RANGE 30-601

Double-sided magazine size modular letterbox, measuring 400 x 125 x 250 mm. At the front there is a 330 x 20 mm slot protected by an inward swinging door with spring return and name holder. At the rear, the aluminium withdrawal door is fitted with a security cylinder lock with two numbered keys, a peephole and an interchangeable plastic nameplate. In the boxes, the name plate is fitted with a numbered two-colour PVC plate suitable for pantograph incision of the name. The door is available in silver as standard, or in a painted colour to be chosen from the range of RAL colours.
